Produced by the Montezuma County Assessors Office and Computer Services Department. This map is a physical description of information contained in the Montezuma County Assessor and Computer Services Departments. It is not to survey standards and should be used for general reference purposes only. Data contained in this map is based on the best data available at the time of printing.

1 inch = 2,725 feet  
 2,700 Feet

All maps are provided "as is" without warranty or any representation of accuracy, timeliness or completeness. This map is not survey-grade and should be used for general location purposes only. This map may not be copied for any distribution without the written consent of Montezuma County.

A photograph of a rural landscape. In the foreground, a dirt path leads to a fence made of wooden posts and wire. To the left, a large orange sign with black text reads: "MONT. COUNTY ROAD LIMITED MAINT. TRAVEL AT YOUR OWN RISK". The background features a grassy field, a cluster of trees, and rolling hills under a clear blue sky.
