Comment:

I am filing this Form 5A to correct Monthly Production Report Error: "Need Form 5A" for WFCM

Original 5A submitted in 2009 (Document #2609776) listed WMFK as producing interval, which included WFCM completion as a common hydrocarbon source, but did not specifically name WFCM as separate formation.

This Form 5A is intended to replace/correct the original Form 5A filed in 2009 (attached).

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
