13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Wexpro Company is filing this Notice of Intent to Plug and Abandon Jacks Draw 13. Attached is the proposed plugging procedure as well as the current and proposed wellbore diagrams.

In conjunction with this proposed P&A, Wexpro Company requests permission to construct a temporary pit to be used for cement cleanup within the currently disturbed ground on the location. The pit dimensions will be 8' wide, 8' long and 6' deep. The pit will be fenced once constructed and will be reclaimed as soon as possible after plugging operations end.

The location will be reclaimed at a later date

14. I hereby certify that the foregoing is true and correct.
