**Inspector Comment:**

The following corrective actions outlined on the previous inspection #674600260 performed on 04/22/2014 have been completed. The temporary blowdown tank has been labeled and meets rule 210d. This tank has also been bermed and is in compliance with rule 604-2.G. The trash and unused equipment have been removed from location. The bird protectors have been installed in exhaust stacks.
