**RE: COGCC Rule 318A.e.: Proposed Wellbore Spacing Unit  
Varra 11 Well: NWSW, Section 5, Township 6 North, Range 67 West  
Weld County, Colorado**

Dear Mr. Lepore:

Extraction Oil and Gas, LLC (Extraction) is planning to drill the above referenced well in accordance with the provisions set out in COGCC Rule 318A.e. Extraction's proposed wellbore spacing unit consists of:

S½S½ of Section 4, Township 6 North, Range 67 West  
S½S½ of Section 5, Township 6 North, Range 67 West  
Containing 320 acres more or less

Extraction is not the only owner within the proposed wellbore spacing unit and has provided notice to the remaining owners within this spacing unit, as required by COGCC Rule 318A.e.(6). Copies of the required notification letters are on file at Extraction's office. The required thirty (30) day notice period has elapsed absent the receipt by Extraction of any objection to their proposal by the owners within the proposed spacing unit for the subject well.

Enclosed is the Proposed Spacing Unit Plat to assist in your review and approval of Extraction's proposed Application for Permit to Drill (APD) for the Varra 11 well. Many thanks for your attention to this matter.

Respectfully,

Jennifer Grosshans  
Regulatory Technician  
Agent for Extraction Oil and Gas, LLC
