Connect to Accident (land owner, royalty owner, etc.): _____	Meridian: <u>6</u>

Provide a detailed description of the accident, problem, and cause (equipment failure, human error, etc.):

At approximately 23:00 hrs on 6/15/14, at the Merritt, Circle B 6-66-9 production facility, and flammable vapors accumulated around tanks #11 and #2. Vapors emanating from the pressure relief valve on tank #2, and the thief hatch on #11 ignited. Contractor on location extinguished the fire immediately. Minor damage to tank thief hatch, no injuries or release of liquid occurred. Eaton Fire Department arrived after fire was extinguished and inspected location. Facility is shut in pending investigation.
