To: "Doug Andrews - DNR (doug.andrews@state.co.us)" <doug.andrews@state.co.us>

Doug,

In response to your questions from yesterday afternoon on the O'Hare 1-5-10-57 Freshwater Pit:

- * The "other" attachment on the form 15 is the location drawing (attached)
- * For the 2A, the reference area photos are attached
- * Facilities are being verified by the field. I am waiting on a response back.
