Rachel,

COGCC has reviewed the Form 27 Site Investigation and Remediation Workplan submitted by Foundation Energy Management LLC for the flowline release on the Sooner 13-16, spill tracking #2147376. COGCC has conditionally approved the Form 27. See the attached document, "SoonerUnit13-16COAs2614864" for the conditions of approval. A copy of the approved Form 27 is also attached for your records.

Approval of this Form 27 resolves spill tracking #2147376. This spill has been resolved in the Colorado Oil & Gas Information System.

COGCC has assigned Remediation Project 8549 to this project. Please refer to this project number on future correspondence.

Contact me with any questions regarding this project.

Regards,

Rick Allison, P.G.

Rick,

Please see attached Form 27 for spill # - to satisfy one of the requirements listed in the issued Sooner 10-28 NOAV.

Analyticals were taken on 1/13/14, but we're getting back out to location to delineate again and develop procedure to move forward.
