Engineer	There are no permitted water wells within one mile of this surface location.  The "Offset Wells Evaluation" tab has "No Offset Well within 1500' " checked. However, permitted and existing gas wells are present within 1500' of the planned wellbore paths of proposed wells on this pad. COGCC evaluated existing offset wells within 1,500 feet of this wellbore. No mitigation required.	5/23/2014 2:20:55 PM
