**Operator Comments:**

At the request of the landowner, Kinder Morgan has shifted the CB Cluster approximately 85 ft. north of its original, proposed location. The location of the 5.01 acre easement will remain the same, however the equipment within will be placed slightly north of the original position, which was detailed in the Form 2A.

A revised site plan is attached.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
