Cc: Joel Sauer <jsauer@foundationenergy.com>, "alex.fischer@state.co.us" <alex.fischer@state.co.us>

Kris,

As we discussed yesterday- Foundation Energy is committed to closing out the Allard pit by 10/31/2014.

That timeline should allow us to finish gathering bids for the work, evaluate the location when the irrigation channel is turned off in September and schedule the work to be completed regardless of the water situation.

Please let me know if you have any additional questions, we appreciate you working with us on this issue.

Rachel Grant (Eisterhold)
