---

Tom,

No objection subject to the following COA:

The additional cement referenced shall be placed as indicated and comply with Rule 317.i. The placed cement shall be verified with a CBL and documented with a Form 5 Drilling Completion Report.

Mark,

API: 0512314386

We've found some casing leaks on this one. Attached is our plan. I'll follow up with a call but since one is so wordy, I wanted to email it first so you could look at it first.

Thanks,
