Rule 318(a) Waiver Request

We waive compliance with Rule 318(a) for Statewide Setback requiring the setback of 600 feet from the lease line for the drilling of the Gueck 10-19-7-44 natural gas well to Omimex Petroleum, Inc. in Phillips County.

We understand that the well will be drilled and surface operations conducted entirely on the surface estate of Carol Ann Gueck and not on our surface estate and therefore grant this waiver to Statewide Rule 318(a).

Subject well to be located in the NW/4 of the SE/4, Section 19, T7N, R44W and your property is located in the SW/4 of Section 19, T7N, R44W. We understand that our mineral estate will be pooled and we will receive royalty from this well.
