COMMENTS

Access request letters were sent to landowners with potential water sources within the 1/2 mile radius of location GM 21-12 (Location ID 311597). Responses were not returned, or returned to sender for three sources. One response denied access for one source. One response granted access to a source other than the one requested. Out of six potential water sources, only one was sampled (Facility ID 703040). Please find the details in the attached file.
