"Operators shall report all oil and gas wells that exist and are not plugged and abandoned on the "Monthly Report of Operations", Form 7. A well must be reported from the month that it is spudded until it has been reported for one month as abandoned. The "Monthly Report of Operations", Form 7 is due forty-five (45) days following the end of the month that is being reported, For example, the report for January 1999 is due by March 17, 1999."	9/29/2014 2:11:19 PM
Engineer	I need to know the plan for this well and how the wellbore is closed to the atmosphere. I see a Form 5 was submitted meaning the wellbore was drilled to depth and cased, but I do not see a 5A in our system. How was the well completed? You can respond to this email with with the information and please do so by October 3rd, 2014.	9/25/2014 5:53:48 PM
