Tannis,

Thanks, I was able to make a PDF of the Word document and upload to the file. The document that you uploaded will be deleted.

Sorry, I know it was taking the pdf a while to upload when I was doing the form so I have attached the word doc. For some reason when I try to convert it to pdf it makes the file like 43 MB, which I am assuming is the problem.

Thanks.

Tannis

Tannis,

The attachment included with the Sundry Notice will not open. Could you please email the

attachment? I will attach the new version to Sundry.

Thanks,

Arthur
