Re: Request for Exception – Rule 318B  
Omimex Petroleum, Inc. (66190) – Well: Denney State 5-36-7-45  
T7N-R45W-Section 36-SW/4NW/4, Phillips County, CO.

Dear Mr. Lepore:

Omimex Petroleum, Inc. respectfully submits and asks that the Director grant an exception to Rule 318B, requiring a well shall be located at least three hundred (300) feet from the boundary of said quarter section. The site for the Denney State 5-36-7-45 is approximately 169.49 feet from the south boundary. However, the State of Colorado owns the minerals under the entire 640 acres of Section 36.. Moving the well to the west would not work based on geological studies.

Thank you for your consideration.

If you have any questions please call me at 817-804-8902.

Very truly yours,

OMIMEX PETROLEUM, INC.
