Good afternoon, Leigh,

Wanted you to know that all Form 7 correction reports for the Schmitt Estate 2-36 (067-06656) from May 2011 to August 2014 have been submitted to the COGCC at dnr_ogcc.eforms@state.co.us. I should receive notice from them soon once the information has been entered into the system.

I will continue to update you as we implement corrective action on the other wells per your letter September 22, 2014.

If you have any questions, please let me know.
