Existing Well Data:

Sullivan #1
 Latitude: N 40.107797°
 Longitude: W 104.964497°
 FSL: 2,009'
 FEL: 999'
 ELEV: 4966'
 PDOP: 2.0

Existing Well Data:

Meredith #2
 Latitude: N 40.107710°
 Longitude: W 104.963252°
 FSL: 1,976'
 FEL: 651'
 ELEV: 4971'
 PDOP: 2.1

Existing Well Data:

Sullivan 8-6-26
 Latitude: N 40.107957°
 Longitude: W 104.963257°
 FSL: 2,066'
 FEL: 653'
 ELEV: 4971'
 PDOP: 2.1

Legend:

- power pole
- utility/gas sign
- fence line
- overhead power line

Distances listed below are measured from the center of proposed facility pad

- A** Center Facility Pad
- B** access 312' southeast
- B-1** access 320' northeast
- C** existing well Sullivan #1, 275' southwest
- C-1** existing well Meredith #2, 341' southeast
- C-2** existing well Sullivan 8-6-26, 274' southeast
- D** existing facility area, 223' southeast
- D-1** existing facility area, 439' southeast
- E** irrigation ditch, 334' northeast
- E-1** irrigation ditch, 443' north
- F** existing building, 518' northeast
- F-1** existing building, 420' northeast
- F-2** existing building, 447' northeast
- F-3** existing building, 494' northeast
- F-4** existing building unit, 520' northeast
- G** property line, 348' northeast

Nearest: (from center of proposed facility pad)

Building: 420' northeast
 Building Unit: 520' east
 Above Ground Utility: 792' east
 Railroad: +5,280'
 Public Road: 833' east
 Property Line: 348' northeast

Reference point (center of facility area):

Latitude: N 40.108449°
 Longitude: W 104.963999°
 FSL: 2,246'
 FEL: 862'
 ELEV: 4,969'
 PDOP: 1.8
