**RE: COGCC Rule 318A.e.: Proposed Spacing Unit
Westwind 1 Well: Lot 2 SW/4 Section 7, Township 6 North, Range 67 West
Weld County, Colorado**

Dear Mr. Lepore:

Extraction Oil and Gas, LLC (Extraction) is planning to drill the above referenced well in accordance with the provisions set out in Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A.e. Extraction's Proposed Spacing Unit consists of:

S½N½ and N½S½ of Section 7, Township 6 North, Range 67 West
SWNW and NWSW of Section 8, Township 6 North, Range 67 West
Containing 400 acres more or less

Extraction is not the only owner within the Proposed Spacing Unit and has provided notice to the remaining owners, as required by COGCC Rule 318A.e.(5). Copies of the required notification letters are on file at Extraction's office. The required thirty (30) day notice period has elapsed absent the receipt by Extraction of any objection to their proposal by the owners within the Proposed Spacing Unit for the subject well.

Enclosed is the Proposed Spacing Unit Exhibit to assist in your review and approval of Extraction's proposed Application for Permit to Drill for the Westwind 1 Well. Many thanks for your attention to this matter.

Respectfully,

A handwritten signature in blue ink that reads "Jeff Annable". The signature is fluid and cursive.

Jeff Annable
Regulatory Technician
Agent for Extraction Oil and Gas, LLC
