RE: Request to the Director for 604.b.(2) Exception Location (SUA or site-specific development plan executed on or before August 1, 2013)
Anderson #14-32-19 Surface Location
Township 4 North, Range 67 West, 6th P.M.
Section 32: SESW 696' FSL & 2,068' FWL (Surface Location)
Weld County, Colorado

Dear Mr. Lepore:

K.P. Kauffman Company, Inc. (KPK) is planning to build the above referenced surface location which include the Anderson #14-32-19. The surface location of KPK's proposed well pad has been mutually negotiated in a Surface Use Agreement (SUA) executed before August 1, 2013. In the subject SUA KPK and the surface owner expressly waived state and local setback requirements and established mutually agreed upon operations areas and setbacks. In consideration of the foregoing, KPK kindly requests that current setback rules contained in Rule 604.b.(2) be waived for this permit application.

Thank you for your attention to the enclosed. KPK respectfully requests that the COGCC review the enclosed information and approve the requested location waivers and Application for Permit of New Location.

Respectfully,
