Complaint Issues

<u>Category</u>	<u>Assigned to</u>	<u>Description</u>
AIR QUALITY	Jim Precup	<p>*Location: Thornton 21R-403 This tank battery is located on CR 80 between WCR 29 & WCR 31. It is approximately three miles west of Ault and one mile south of Hwy 14.*</p> <p>I observed antifreeze and oil around the compressor unit.</p> <p>Smells like: gas - antifreeze - oil</p>
NOISE	Jim Precup	<p>This extremely loud operation was installed approximately 300 feet from the corner of my home. It has a motor that runs nearly non-stop. The system is so loud it can be heard inside my home while all the windows are closed. Prior to this operation being installed so close to my home, I enjoyed peaceful country living. This operation has made a huge negative impact on my quality of life.</p>
