Pioneer Energy Services (PES) has prepared this report for the exclusive use of its client. Reliance on the data contained herein by any other party is not recommended and is at the sole risk of such parties. PES has exercised reasonable skill, care and diligence to assess the information acquired during the performance of the services detailed in this report. However, PES cannot be held responsible for interpretations or recommendations made by any of its officers or employees based on the data presented in this report. PES will not be liable for any loss, damage, cost or expense incurred or arising by reason of any person using or relying on the information contained in this report. PES makes no warranty, expressed or implied, as to the fitness of the equipment for a particular purpose. PES specifically excludes any consequential liability that may result from a breach of a warranty. PES's liability for any claim, whether based on breach of warranty, contract, negligence or otherwise, shall not exceed the total charges paid by client for the services provided by PES that are the subject of the claim. Use of this report constitutes acceptance of the above terms.
