**COGCC Reportable Spill Notification**

PDC is notifying Weld County of a COGCC reportable spill that occurred on March 1, 2015 at the location detailed above. A production tank load line valve froze and cracked causing a release of crude oil. No groundwater or surface water was impacted and the release remained within the steel berm. A Form 19 will be submitted to the COGCC.

Please feel free to contact me if you have any questions.
