Mr. Withers,

Please find attached list of locates for Winder Wells exported from Trimble Business Center. This site did not have any sign posted as to name of well. Text on building indicated Federal 2-24. Other wells in the vicinity were looked at and signage indicated ownership other than Windsor. Research of the COGCC web site indicates the coordinates below to be C&K 2-24, as located in the field.

I, Brian K. Bowker, a licensed Professional Land Survey in the state of Colorado, do hereby state the attached well location was prepared under my supervision. The said attached coordinate has been prepared solely for the purpose of depicting the location of the well head, as requested per attached COGCC Rule 215 and is an accurate representation of said location. This statement is not a warranty, either expressed or implied.
