Dear Director:

Verdad Oil & Gas Corp. (Verdad) is requesting an exception to Rule 318A.a. and Rule 318A.c. for the above-captioned well.

The location is planned outside of a GWA window and is not within 50' of an existing well. This location is a good location in order to drill horizontal wells with sufficient lateral length in the producible zone and build sufficient production facilities on location.

A waiver from the affected surface owner is part of the signed Surface Use Agreement as noted on page 4, #9 COGCC Waivers.

If you have any questions, please contact the undersigned at 214-838-2783.

Sincerely,

L. Arthur Beecherl, IV
