**RE: COGCC Rule 318A.e.: Proposed Spacing Unit  
Fairview 8 Well: NWSW, Section 5, Township 2 North, Range 68 West  
Weld County, Colorado**

Dear Mr. Lepore:

Extraction Oil and Gas, LLC (Extraction) is planning to drill the above referenced well in accordance with the provisions set out in Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A.e. Extraction's Proposed Spacing Unit consists of:

SW¼ of Section 4, Township 2 North, Range 68 West  
S½ of Section 5, Township 2 North, Range 68 West  
Containing 480.00 acres, more or less.

Extraction is not the only owner within the Proposed Spacing Unit and has provided notice to the remaining owners, as required by COGCC Rule 318A.e.(5). Copies of the required notification letters are on file at Extraction's office. The required thirty (30) day notice period has elapsed absent the receipt by Extraction of any objection to their proposal by the owners within the Proposed Spacing Unit for the subject well.

Enclosed is the Proposed Spacing Unit Exhibit to assist in your review and approval of Extraction's proposed Application for Permit to Drill for the Fairview 8 Well. Many thanks for your attention to this matter.

Respectfully,

A handwritten signature in blue ink that reads "Jeff Annable". The signature is written in a cursive, flowing style.

Jeff Annable  
Regulatory Technician  
Agent for Extraction Oil and Gas, LLC
