Dear Sappington Trust:

You are receiving this letter because you have been identified as a surface owner or owner of a Building Unit within one thousand (1000') feet of the subject oil and gas location. In accordance with the requirement of Rule 305.a. of the Colorado Oil and Gas Conservation Commission ("COGCC"), this letter serves as a thirty (30) day notice by PDC Energy, Inc. ("PDC") of its intention to obtain drilling and location permits from the COGCC on the captioned lands. PDC plans to drill and complete the listed horizontal well(s) and construct all production facilities necessary to produce oil and gas from said well(s) in the approximate locations shown on the attached site diagram. Facilities will include, but not be limited to, oil tanks, water tanks, separators, a meter house, and vapor recovery units.

Pursuant to the COGCC Rule 305.a.(1) and (2), you are invited to contact PDC directly to discuss any concerns and questions that you may have as well as to request an informational meeting to discuss the proposed operations. If an informational meeting is requested, PDC shall have the option to conduct such meeting on an individual basis, in small groups or in larger community meetings. The contact information for PDC and the appointed Local Government Designee ("LGD") is as follows:
