The Tank Battery on this location is not in a Buffer Zone. The distances to the nearest building is 1155' and the nearest building unit is 1027'.

Could you please change these distances on the 2A?

Thanks.

Thanks Cheryl, I have two more questions:

1. The facility layout has 4 VRUs and the facilities list has 3. Please confirm the number of VRUs for the site.
2. Will OBM be used?

Best Regards,  
Rebecca

Somebody in our facilities group doesn't know how to count.

There will be 4 VRUs at the facility.

We will be using OBM.

Thanks,  
I will update the information from this correspondence chain.
