Request: To approve a minor site plan to construct a Dissolved Air Floatation Facility (DAF) to treat flow back and produced water generated from natural gas development.

Dear Lorne:

Your request for a minor site plan approval has been granted. Please note that this approval applies only to the materials submitted with the above referenced project number. The basis for this decision is that this request can meet the regulations in Section 3.11.4 A-E of the Mesa County Land Development Code with the following conditions:

1. All conditions of the CUP Resolution MCM 2009-096 shall be adhered to, including but not limited to:
  - a. A noise analysis for the facility shall be submitted to Mesa County Planning Division within four (4) months after the facility becomes operational;
  - b. The private road shall be maintained by the applicant in an all-weather, dust-free condition;
  - c. A list of all equipment with installation costs shall be provided to the Mesa County Assessor's Office;
  - d. The operator shall continuously control noxious weeds on the property.
2. Review comments from the Mesa County Development Engineer shall be addressed.
3. The existing public road maintenance agreement with Mesa County and the operator shall be up-dated.

Administrative project decisions may be appealed by parties of record aggrieved by any decision of an administrative official as stated in Chapter 3 of the Mesa County Land Development Code. Appeals of an administrative decision must be filed in writing within thirty (30) days of the date of decision or action being appealed and include the \$275.00 application fee.

Should you have questions related to this minor site plan, please feel free to contact me at (970) 254-4152 or by e-mail at [jeff.hofman@mesacounty.us](mailto:jeff.hofman@mesacounty.us).

Sincerely,

Jeff Hofman, AICP
