Dave,

SG Interests has 18 leases COC 66687, 66688, 66689, 66690, 66691, 66692, 66693, 66694, 66695, 66696, 66697, 66698, 66699, 66700, 66701, 66702, 66908 & 66909. All 18 are at this time under suspension pending the completion of the White River National Forest Previously leased Environmental Impact Statement (EIS). Until the BLM determines the status of the leases following completion of the EIS and issuance of a Record of Decision, which is anticipated to be in the fall of 2016, the leases should be considered valid existing leases.
