ATTENTION: Loren

Dear Loren:

Enclosed please find our Pit Inventory Report which was due earlier this year. I profusely apologize for this delay. Doug Dowden (formerly with Conquest Oil Company) requested that I hold the report until he spoke with you regarding some questions he had on the report. Doug is no longer with the company and the report completely slipped my mind until today.

Not all of the wells shown on the report are now owned by Conquest Oil Company. I have noted the ones that have been sold effective February 1, 1996, to Matrix Energy, LLC, et al.

If you have any questions or require additional information, please let me know. Thanks so much for your patience in this matter.

Sincerely,

CONQUEST OIL COMPANY

Raenell I. Chrisman
Office Manager
