Inspector Comment:

Environmental staff on location to inspect progress of Remediation project number 8333. All production equipment has been moved from it's production location for clean up, it is still on location, equipment should be removed as soon as possible. On location there is; 3 open excavations: on at pit that is described in remediation project 8333, one excavation is under the area of the old tank battery, the third excavation is at the area of the pit facility id 100601. See attached pictures for more detail of excavations. There are two large soil piles; one is approximately 150' x30' (Approximate location is 40.97982 -108.30908). The other is approximately 250'x40' (Approximate location is 40.980397 -108.308943). Operator should provide the following information; what are large soil piles? The 2 additional soil excavations were given a verbal approval to precede with excavations by COGCC Environmental Staff, Kris Neidel, the investigation should be formalized as an amendment to remediation project number 8333.

ACTION REQUIRED

ANY ACTION REQUIRED items listed on this report indicate that the oil and gas facility or the oil and gas operations listed on the report may be in violation of the rules and regulations of the Colorado Oil and Conservation Commission (“COGCC”) and corrective action is required.

There is reasonable cause to believe that a violation of the Oil and Gas Conservation Act, or of any rule, regulation, or order of the Commission, or of any permit issued by the Commission, has occurred. The Operator’s compliance with this Inspection Report is required to resolve these alleged violations. This document requires the Operator to timely respond to the COGCC and to comply with directives as listed by the **Corrective Action Deadline Date**. Failure to do so will result in the issuance of a Notice of Alleged Violation and initiation of enforcement proceedings in which COGCC will seek monetary penalties for the alleged violations pursuant to § 34-60-121, C.R.S. and Rule 523, COGCC Rules of Practice and Procedure, 2 CCR 404-1. (Please note that the COGCC's penalty authority was recently increased to a maximum of \$15,000 per day and penalties are no longer capped at a maximum of \$10,000 per violation.)
