Rick,

We discovered a flowline leak this morning (6/15) on the Sooner 28-6-1 wellpad- API # 05-123-19173.

Approximately 3-4 bbls of fluid (10% oil), 2 bbls was recovered.

Landowner and LEPC have been notified and I'm working on the Form 19.

Rachel Grant (Eisterhold)

Senior HSE/Regulatory Technician
