Water Well Test Results

Dear Dave,

Enclosed please find the water well test results that we have received from Green Analytical Laboratories, Inc. and Four Corners Geoscience for the Pure Resources Mason 2-4 which was first delivered on February 2, 2002. These tests were taken after the completion of the well.

Please don't hesitate to give me a call if you have any questions.

Sincerely,

Lynn here is the list of the wells & samples for which I need copies of the laboratory analytical results. If you can make copies that would be great & send me the bill. If you don't have time, let me know and I'll ask Mike Finney if they can help.

Other questions:

72\*\* do these people has 2 water wells, if not what is the actual depth 175 vs 65

991\* can you try again to sample this well

Thanks DEB
