Jennifer,

On the location drawing, the nearest well to above ground utility appears to be Johnson Trust 1 to the above ground utility to the north. Please provide the distances from the wells to the nearest above ground utility.

Thank you,
Rebecca

Hey Ladies,

After reviewing the distances to nearest above ground utility can you please make the following changes:

Johnson Trust 13-I Doc #400689054: Distance to Nearest Well-Above Ground Utility=405'

Johnson Trust 1 Doc #400689082-Above Ground Utility=405'

Johnson Trust 2 Doc #400689166-Above Ground Utility=433'

Sorry for the discrepancy.

Thanks,
