**COMMENTS**

There are two (2) water wells permitted with the Colorado Division of Water Resources located with 0.5 miles of this planned production well.  
One (1) water well (Receipt No. 3633091) was plugged and abandoned in 2009 (confirmed by landowner Steve Payne).  
The other water well (Receipt No. 9078180) has the incorrect location per CDWR and is in the center of Section 23 (confirmed by landowner Steve Payne) and is outside of the 0.5 mile radius at approximately 3,263 feet to the northeast of the planned production well.  
Mustang Creek is requesting relief for both water wells which are listed as being within 0.5 miles of the proposed production well.
