COMMENTS

While collecting initial BWQ samples, we shot GPS coordinates for a stock water well (Facility ID# 753766, permit# 9063227, receipt# 26583) and found that the actual location was outside of the ½ mile radius of the proposed horizontal well (the permitted well location was within the ½ mile radius). We submitted the initial data but did not collect subsequent BWQ samples as per correspondence with Bob Chesson on 8/3/15. Three available water sources were sampled for 1st Subsequent BWQ on 8/8/15 for Railay 28-3-1CH.
