**RE: COGCC Rule 303.b.(3)J.iii.: Evidence of Building Unit Owner Pre-Application Notification  
Albrighton 10-P Pad: SWSW Section 10, Township 6 North, Range 64 West  
Weld County, Colorado**

Dear Mr. Lepore:

Bayswater Exploration & Production, LLC (Bayswater) has filed a Form 2A Oil and Gas Location Assessment (OGLA) for the Albrighton 10-P Pad.

Pursuant to Colorado Oil and Gas Conservation Commission (COGCC) Rule 303.b.(3)J.iii., evidence is required that Building Unit Owners within the Buffer Zone received the Pre-Application Notification required by COGCC Rule 305.a.(2). Bayswater certifies that there is one Building Unit Owner within the Buffer Zone, who is also the Surface Owner and by way of Surface Use Agreement, waived the Building Unit Owner Pre-Application Notification.

Bayswater respectfully requests the COGCC approve the Form 2A for the Albrighton 10-P Pad. Many thanks for your consideration of this matter.

Respectfully,
