Remark: The attached wells were not approved on their original form 10s due to pit issues and other outstanding items. Under the Purchase and Sale Agreement with Noble, Extraction assumed environmental liability for the existing conditions of the assets. Please note that this includes, but is not limited to, all outstanding spill, remediation, and inspection resolutions. Please feel free to include any conditions of approval so these wells can be transferred from Noble to Extraction.

The transporter(s)/gatherer(s) is (are) authorized to transport the oil and/or gas produced from the listed well(s) and that this authorization will be valid until further notice to the transporter named herein or until cancelled by the Colorado Oil and Gas Conservation Commission.
