Jim,

The Form 27, remediation project number 9141 will remain active. It will not be necessary to re-submit unless part of the plan changes.

Kris,

Per our conversation, Chevron has postponed the closure of the emergency pit at CS#47 in Rangely until 2016. The Form 27 will be resubmitted with new dates once this work is initiated.

Thanks,

Jim

James Litz, P.E.
