The surface locations of Extraction's proposed wells have been staked outside of the Colorado Oil & Gas Conservation Commission (COGCC) Rule 318A.a. Greater Wattenberg Area (GWA) Drilling Window and are being permitted as exception locations. Extraction is requesting these exception locations because Extraction has negotiated an SUA locating the wells outside of the GWA drilling window. Extraction has obtained written permission from the surface owner by way of signed waiver.

Extraction respectfully requests the COGCC to review the enclosed information and approve the requested exception location request and Application for Permit to Drill for the wells on the subject pad.

Respectfully,

Jennifer Grosshans
