|----------------------|---|
| General Housekeeping | Encana will make use seasonal road maintenance in late summer or early fall, after the annual monsoon rains and prior to the heavy seasonal traffic in the fall. This road maintenance includes general blading to eliminate ruts and reshape road surface in order to maintain the general public access of the road and to accommodate local emergency vehicle access requirements. Encana will also maintain any existing water bars or wing-ditches on the access road during this maintenance. |
