Blake,

The 2015 Groundwater Sampling Annual Report has been uploaded to Remediation Project #4082 as Document #2210673. Please continue to provide project updates regarding the ongoing groundwater monitoring or any other site activities performed. Note, the annual report dated August 19, 2015 recommends the removal of residual soil impacts in the vicinity of MW-01 and MW-05.

Thank you,

Jen

Jen,

The attached report was submitted to COGCC on 08/19/15, but if you'd like I can resubmit it and attach this email or you can add it to the file. Please let me know what works for you.

Best regards,
