Dear Director:

PDC Energy, Inc. ("PDC") is requesting an exception to Rule 318A.a. and Rule 318A.c. for the above-captioned well(s).

The location(s) are planned outside of a GWA window and are not within 50' of an existing well. This location is a good location in order to drill horizontal wells with sufficient lateral length in the producible zone and build sufficient production facilities on location.

We respectfully request that you approve this waiver to reduce the impact on the surface owner and surface operations. Attached is the Exception Location Waiver signed by the surface owner, Thomas Brown.

If you have any questions, please contact the undersigned at (303) 860-5800.

Sincerely,

A handwritten signature in black ink that reads "Kelsi Welch".
