

Whiting Oil and Gas

Cottonwood 07M Hydrology Map
SWSW Section 7 T9N R57W
Weld County, Colorado
Scale 1 inch = 500 feet
by: H&B Petroleum Consultants

The map is divided into four quadrants by dashed lines. In the top-left quadrant, there is a black-outlined rectangle labeled 'Proposed Pad'. In the top-right quadrant, there is a blue circle labeled 'Proposed Well'. In the bottom-left quadrant, there is a dashed line labeled 'Proposed Road'. In the bottom-right quadrant, there is a double line labeled 'Field Road'.

Topographic map showing contour lines, a river, and a road. A large black circle is centered on a point labeled "442 feet Az380". A red line runs vertically through the center, and a red dashed line runs horizontally. A black dashed line connects the center point to a point on the right. A green shaded area is visible in the lower left.
