To J Krabacher, Dennis Ahlstrand (cc: D Andrews, M Weems)

Re: 045-05076, questionnaire sent to Arnold Mackley regarding a DM well on his property.

Are you the registered owner of the well? YES  
Is there a Designated Agent reporting on your behalf? NO  
Are you clearly aware of your liabilities regarding this well under COGCC Rule? NO  
Are you currently using the gas from the well? NO  
How many homes, buildings, tenants use gas from the well? N/A  
If well is not currently producing gas, when was it used last? (blank)  
What is the gas used for (home, outbuildings, etc.)? N/A  
If current use ... (2 questions about gas volume and pressure) N/A  
(3 Questions about liquids produced with the gas) N/A  
Tank or pit for liquid storage? N/A  
Have you ever performed any maintenance on the casing or wellbore? NO  
Are you aware of any current well-casing, wellhead, or equipment leaks with the well? NO\*  
Has any bubbling, stained soil, or stressed vegetation been observed near the well? (blank)  
Is domestic water-well, stream or irrigation ditch/canal located within ½ mile of the well? Has any  
bubbling or unusual odors been observed in water from the water-well? YES (near water-well)  
Approx. distance to water well: 150 yards  
Bubbling/odors NO  
Is well currently accessible by vehicle (passable roads)? YES

\*on March 30, 2016 Mr. Arnold Mackley said that there is a gas leak at the well, between the casing and the cement.
