The image shows a white rectangular sign with a black border, mounted on two dark metal posts. At the top, the text 'CRUDE OIL / PRODUCED WATER' is printed. Below this is a hazard diamond with four colored sections: red (top) with the number '4', blue (left) with the number '1', yellow (right) with the number '0', and white (bottom) with the number '0'. To the right of the diamond, the text '40' is printed in a large font, and 'BRLS' is printed below it. The sign is located in a field with dry, yellowish-brown grass and some bare trees in the background. A wire fence is visible in the foreground.
