Inspector Comment:

This is an Abandoned Location Inspection, prompted by Bond Release Request for Well API# 081-07258 APD first Approved 12/5/2005. Permit Abandoned 12/23/2013. It does not appear that this AL Well was drilled on Location with Producing Wells 081-07592; therefore this is a Well Release on an Active Location. Insp Doc#673401667 dated 1/23/2015 Passed the Well for Final Reclamation, however the Inspected Box was not checked and perhaps this prevented Well from being Released for Final Reclamation.
