**Subject:** Spill Notification - Fields-62N65W 8SESW

Good Morning,

We had a State Reportable Release due to volume of impacts removed at the location listed below. Historical impacts were encountered while deconstructing the tank battery due to well plug and abandonment. Remediation efforts have been initiated. Further information will be provided in a forthcoming Form 19 Initial Release Report. Please, let me know if you have any questions. Thank you,

Fields-62N65W 8SESW  
Location ID: 327640
